

Help travelers get virtual or in-person appointments while traveling.

If your client purchased an Allianz Travel Protection Plan and will be traveling to a country where these services are available, they can get easy access through the Allyz® app.

Travelers love the ease and flexibility these services offer:

- Convenient care for unforeseen medical issues requiring non-emergency attention—like a stomach bug or migraine
- No up-front, out-of-pocket costs for medical consultations
- Quick mobile scheduling for virtual and in-person doctor visits
- Multi-lingual doctor network
- Available in more than 80 countries

If your customer is traveling abroad, make sure you encourage them to download Allyz® ahead of their trip. They'll thank you for making it easier on them if they need convenient care while they're traveling!

(!)

Please keep in mind:

- Availability depends on your client's location at the time they seek services
- In-person follow-up visits and/or medications are out-of-pocket expenses
